

Serve Up **FIRE** **SAFETY** in the Kitchen!™

Only YOU can prevent cooking fires. **Stay safe in the kitchen!**

Cooking and Alcohol Don't Mix!

You must be alert to prevent cooking fires. You will not be alert if you have consumed alcohol or drugs. **Cook responsibly!**

Clear the Clutter!

Keep anything that burns—**plastic utensils, dishcloths, paper towels**—a safe distance from the stove.

Stand By Your Pan!

Unattended cooking is the leading cause of home fires. Always **stay in the kitchen** when you cook.

Never Throw Water on a Grease Fire!

If a pot of oil catches fire, **put a lid on it**. Slide a lid over the pot and **turn off** the stove. **Do not move the pot.**

Install smoke and carbon monoxide alarms!

Install working smoke and carbon monoxide alarms on **every** storey of your home and outside sleeping areas. **Test them every month!**

For more information contact your **local fire department.**
